2 **SECTION 11.** ORS 419B.358 is amended to read:

3 419B.358. (1) The Department of Human Services shall ensure that an independent, qualified in-
4 dividual assesses the strengths and needs of each child or ward the department places in a qualified
5 residential treatment program described in ORS 419B.356.

6 (2) The assessment described in this section may occur prior to the child's or ward's placement
7 in the program, but shall occur no later than 30 days following the date of placement.

8 (3) The assessment described in this section must, at a minimum:

9 (a) Assess the strengths and needs of the child or ward using an age-appropriate, evidence-based,
10 validated, functional assessment tool;

11 (b) Determine whether the needs of the child or ward can be met with family members or
12 through placement in a foster family home or, if not, which setting would provide the most effective
13 and appropriate level of care for the child or ward in the least restrictive environment and be con-
14 sistent with the short-term and long-term goals for the child or ward, as specified in the permanency
15 plan for the child or ward; and

16 (c) Develop a list of individualized, specific short-term and long-term mental and behavioral
17 health goals.

18 (4)(a) The qualified individual conducting the assessment shall work in conjunction with the
19 child's or ward's family and permanency team, including:

20 (A) Appropriate biological family members, relatives and fictive kin of the child or ward;

21 (B) Appropriate professionals who are a resource to the family of the child or ward, including
22 teachers and medical or mental health providers who have treated the child or ward;

23 (C) Clergy; or

24 (D) If the child or ward has attained the age of 14 years, individuals selected by the child or
25 ward.

26 (b) The department shall document the following in the child's or ward's case plan:

27 (A) The reasonable and good faith efforts of the department to identify and include all of the
28 individuals identified in paragraph (a) of this subsection on the child's or ward's family and
29 permanency team.

30 (B) Contact information for members of the child's or ward's family and permanency team and

33 (C) Evidence that meetings of the family and permanency team, including meetings related to
34 the required assessment, are held at a time and place convenient for the child's or ward's family.

35 (D) If reunification is the goal, evidence demonstrating that the parent from whom the child or
36 ward was removed provided input on the members of the family and permanency team.

37 (E) Evidence that the assessment is determined in conjunction with the family and permanency
38 team.

39 (F) If the setting recommended by the qualified individual conducting the assessment is different
40 than the placement preferences of the family and permanency team and of the child or ward, the
41 reasons why the preferences of the team and of the child or ward were not recommended.

42 (5) If the qualified individual conducting the assessment determines the child or ward should not
43 be placed in a foster family home, the qualified individual shall specify in writing the reasons why
44 the needs of the child or ward cannot be met by the family of the child or ward or in a foster family
45 home. A shortage or lack of foster family homes is not a valid reason for not placing a child or ward

1 in a foster family home under this subsection. The qualified individual shall specify in writing why
 2 the recommended placement in a qualified residential treatment program is the setting that will
 3 provide the child or ward with the most effective and appropriate level of care in the least restric-
 4 tive environment and how that placement is consistent with the short-term and long-term goals for
 5 the child or ward, as specified in the child’s or ward’s permanency plan.

6 (6) As used in this section:

7 (a) “Fictive kin” has the meaning given that term by the department by rule.
