**PROPOSED AMENDMENTS TO
SENATE BILL 1530**

1 On page 21 of the printed bill, delete lines 9 through 17 and insert:

2 “(B) If the EITE entity is in compliance with an approved energy man-
3 agement system audit and implementation plan subject to subsection (2) of
4 this section, the direct distribution received by the EITE entity, in 2025 and
5 each year before 2051, shall be a number of allowances equal to the total of
6 the regulated emissions by the EITE entity attributable to natural gas com-
7 bustion.”.

8 On page 40, delete lines 12 through 21 and insert:

9 “(b) If a trade-exposed natural gas user is in compliance with an approved
10 energy management system audit and implementation plan subject to sub-
11 section (3) of this section, the trade-exposed natural gas user shall receive
12 rate relief in 2025 and each year before 2051. The rate relief shall be equal
13 to the amount of revenue generated by the sale at auction of the allowances
14 allocated to the natural gas utility on behalf of that user under section 17
15 (1)(d) of this 2020 Act for that year.”.
