

Requested by Senator OLSEN

**PROPOSED AMENDMENTS TO
SENATE BILL 1530**

1 On page 21 of the printed bill, delete lines 24 through 30 and insert:

2 “(B) The implementation plan identifies how the EITE entity will com-
3 plete all efficiency improvements identified in the audit report that:

4 “(i) Are related to natural gas use;

5 “(ii) In the aggregate, will not result in costs to the EITE entity that
6 exceed a total limit established by the office by rule for costs associated with
7 required efficiency improvements; and

8 “(iii) Have a payback period of five years or less by two years after the
9 date of the audit, or by a reasonable extension date if the office determines
10 that additional time is reasonable and necessary for the EITE entity to
11 complete the efficiency improvements.”.

12 After line 34, insert:

13 “(d) The office may not require an EITE entity to complete an efficiency
14 improvement identified in the audit report unless the efficiency improvement
15 would not change the characteristics of the goods being manufactured by the
16 EITE entity, is technically feasible, is commercially available and is in
17 compliance with all applicable laws.”.

18 In line 35, delete “(d)” and insert “(e)”.

19 On page 40, line 43, after “for” insert “use of natural gas combustion
20 systems in”.
