SENATE BILL 1565**

1 On page 3 of the printed bill, after line 4, insert:

2 **“SECTION 3.** ORS 471.230, as amended by section 1 of this 2020 Act, is  
3 amended to read:

4 “471.230. (1) A distillery license allows the licensee to import, manufac-  
5 ture, distill, rectify, blend, denature and store distilled liquor, to sell the  
6 distilled liquor to the Oregon Liquor Control Commission and to transport  
7 the distilled liquor out of this state for sale outside this state. Distillery  
8 licensees may purchase and sell distilled liquor from or to another distillery  
9 licensee in containers having a capacity greater than one U.S. gallon for  
10 blending and manufacturing purposes. A distillery licensee may not sell any  
11 alcoholic beverage within this state except to the commission or as provided  
12 in this section. However, any agricultural producer or association of agri-  
13 cultural producers or the legal agents of an agricultural producer or associ-  
14 ation of agricultural producers that manufactures and converts agricultural  
15 surpluses, by-products and wastes into denatured ethyl and industrial alcohol  
16 for use in the arts and industry are not required to obtain a license from the  
17 commission.

20 censed premises, the distillery licensee may:

21 “(a) Permit tastings of distilled liquor approved by the commission for

1 sale in Oregon and manufactured in Oregon by the distillery licensee or by  
2 another distillery licensee. Tastings may be of the distilled liquor alone or  
3 with a mix of other liquids. If any of the other liquids are distilled liquors,  
4 they must be distilled liquors on the list of products approved by the com-  
5 mission for retail sale in Oregon and must be purchased by the licensee at  
6 the retail price established by the commission. This paragraph does not au-  
7 thorize sales by the drink of distilled liquor. The tastings may be conducted  
8 on the licensed premises of the distillery and at no more than five other  
9 premises owned or leased by the licensee. The commission may allow more  
10 than one distillery licensee to use the same premises at the same time for  
11 conducting tastings if the premises are a primary production location and the  
12 licensees share the premises or are owned by the same entity. If the man-  
13 ufacturer of the distilled liquor obtains distilled liquor for conducting

21 tastings are allowed under paragraph (a) of this subsection only distilled li-  
22 quor that is on the list of products approved by the commission for retail  
23 sale in Oregon and is manufactured in Oregon by the distillery licensee or  
24 by another distillery licensee that uses the same premises as a primary pro-  
25 duction location or is owned by the same entity as the distillery licensee.

26 “(3) Notwithstanding ORS 471.392 to 471.400, a distillery licensee may

29 sion.

30 “(4) A distillery licensee that holds a special events distillery license may

1 conduct an event on premises designated in the special events distillery li-  
2 cense. Except as provided in this subsection, a special events distillery li-  
3 cense may be valid for a period not exceeding five days. The commission  
4 shall limit the approval of special events distillery licenses for a distillery  
5 licensee at the same location to not more than 62 days during a calendar  
6 year. A distillery licensee conducting a special event may:

7 “(a) Permit tastings of distilled liquor approved by the commission for  
8 sale in Oregon and manufactured in Oregon by the distillery licensee.  
9 Tastings may be of the distilled liquor alone or with a mix of other liquids.  
10 If any of the other liquids are distilled liquors, they must be distilled liquors  
11 on the list of products approved by the commission for retail sale in Oregon  
12 and must be purchased by the licensee at the retail price established by the  
13 commission. If the manufacturer of the distilled liquor obtains distilled li-

20 in Oregon. The distillery licensee selling the drink must purchase all dis-  
21 tilled liquor contained in the drink at the retail price set by the commission  
22 for the month in which the drink is sold.

23 “(c) If the distillery licensee has been appointed as a distillery retail  
24 outlet agent under subsection (2)(c) of this section, sell distilled liquor in  
25 factory-sealed containers for consumption off the licensed premises. A  
26 distillery retail outlet agent may sell at a location where tastings are al-  
27 lowed under paragraph (a) of this subsection only distilled liquor that is on  
28 the list of products approved by the commission for retail sale in Oregon and  
29 is manufactured in Oregon by the distillery licensee. The distillery retail  
30 outlet agent must sell the distilled liquor at the retail price set by the com-

1 mission for the month of sale.
