

Dear Sir/Madam:

I am writing to show my support for House Bill 4213 (HB4213) and I am also requesting HB4213 lengthen the grace period to at least six months. Six months will allow our economically and socially disadvantaged clients and agencies/organizations (that assist them) a more realistic timeframe to find funds to help pay any overdue rent. It is important that Oregon shows compassion to its fellow Oregonians during this time of job loss, food insecurity faced by children and adults, homelessness, isolation, and fear engendered by COVID-19.

Please support HB4213.  
Thank you.

*Sincerely,
