Subject: I support SB 1606: Access to Care for Oregonians with Disabilities
Date: Wednesday, June 24, 2020 1:27:36 PM

Hello,

I am the parent of a wonderful 10 year old special needs girl whose genetics have, unfortunately, given her a lifetime of healthcare challenges. She is developmentally disabled and this makes it much harder for her to express her needs and nearly impossible for her to navigate the complexities of modern healthcare. SB 1606 provides important safeguards my daughter needs, especially now during the COVID-19 crisis. Please consider passing this bill into law during the current special session.

Feel free to contact me at the address below if needed. Thank you.
