

I writing in support of these bills, below, being passed. Please be a part of healthy, proactive, and thoughtful change, and consider making police reforms.

HB 4201: Requires deaths and certain injuries caused by police to be reported to the Attorney General

HB 4203 Disallows police to use force that limits a person's ability to breathe, including, but not limited to chokeholds.

HB 4205 Requires a police officer to intervene when they see another cop engaging in " act that is unethical or that violates law, rules or policy."

HB 4207 Establishes a state-wide database of policy disciplinary records. Makes that database public.

HB 4208 Prohibits use of teargas and sonic weapons

Thank for the consideration,
