

Greetings,

In regards to the police bills going through legislature:

I support:

HB 4201: Requires deaths and certain injuries caused by police to be reported to the Attorney General

I support:

HB 4203 Disallows police to use force that limits a person's ability to breathe, including, but not limited to chokeholds.

I support:

HB 4205 Requires a police officer to intervene when they see another cop engaging in " act that is unethical or that violates law, rules or policy."

I support:

HB 4207 Establishes a state-wide database of police disciplinary records. Makes that database public.

I support:

HB 4208 Prohibits use of teargas and sonic weapons.

Thank you
