

Hello,

I just want to state as a professional psychologist working in Oregon, I support all of the police and COVID policy reform bills coming up for review on June 25<sup>th</sup> and would like my support to be part of the public record. Specific bills include HB 4201, HB 4203, HB 4205, HB 4207, HB 4208, HB 4204, and HB 4213. Any additional bills specifically extending telehealth coverage and support to increase access to telehealth services I also support.

Thank you,

Geoffrey Gordon, PsyD, Licensed Psychologist #2990
