

Please support the passage of these bills:

HB 4201: Requires deaths and certain injuries caused by police to be reported to the Attorney General

HB 4203 Disallows police to use force that limits a person's ability to breathe, including, but not limited to chokeholds.

HB 4205 Requires a police officer to intervene when they see another cop engaging in "act that is unethical or that violates law, rules or policy."

HB 4207 Establishes a state-wide database of police disciplinary records. Makes that database public.

HB 4208 Prohibits use of teargas and sonic weapons.

Thank you. We need to help the police do the job they were meant to do in a way that is just. Reform and regulation are key.

Respectfully yours,
