

Hello.

My name is Alexandra Geddes and I am a voter in 97405 in Oregon.

I am writing to express my strong support for the police related bills being discussed, including:

- HB 4201: Requires deaths and certain injuries caused by police to be reported to the Attorney General
- HB 4203 Disallows police to use force that limits a person's ability to breathe, including, but not limited to chokeholds.
- HB 4205 Requires a police officer to intervene when they see another cop engaging in " act that is unethical or that violates law, rules or policy."
- HB 4207 Establishes a state-wide database of policy disciplinary records. Makes that database public.
- HB 4208 Prohibits use of teargas and sonic weapons.

I am also in support of the eviction protection bills,

- HB 4204 Establishes temporary limitations on lenders being able to enforce default remedies on obligations secured by mortgages, trust deeds, land sale contracts or other instruments. (Can't evict homeowners).
- HB 4213 Prohibits residential and commercial evictions under specified conditions during emergency period

Thank you for your service.

Alexandra Geddes.
