18 failure to make a periodic installment payment or to pay any other amount that is due to  
19 the lender on or in connection with an obligation that is subject to a financing agreement if  
20 at any time during the emergency period the borrower notifies the lender that the borrower  
21 will not be able to make the periodic installment payment. In lieu of treating the failure to

14 otherwise permitted in the absence of a default;

15 “(E) Initiate cash management not already in existence before the effective date of this
