**Be It Enacted by the People of the State of Oregon:**

**SECTION 1.** ORS 807.010 is amended to read:

807.010. (1) A person commits the offense of operating a vehicle without driving privileges if the person operates a motor vehicle upon a highway or premises open to the public in this state and the person does not have an appropriate grant of driving privileges from this state in the form of a license, driver permit, endorsement or statutory grant of driving privileges allowing the person to engage in the particular type of operation.

(2) A person to whom a license or driver permit is issued commits the offense of violating license restrictions if the person operates a motor vehicle in any manner that violates restrictions that are placed upon the person's driving privileges by the Department of Transportation under ORS 807.120 or 807.122, by a court under ORS [809.210 or] 809.270, or by the vehicle code.

(3) Nothing in this section is applicable to a person who is driving while suspended or revoked in violation of ORS 811.175 or 811.182. Persons who violate ORS 811.175 or 811.182 are subject to the provisions and penalties provided therein and are not subject to the penalties and provisions of this section.

(4) Except as provided in subsection (5) of this section, the offense described in subsection (1) of this section, operating a vehicle without driving privileges, is a Class B traffic violation.

(5) The offense described in subsection (1) of this section, operating a vehicle without driving privileges, that results from a person operating a motorcycle without a motorcycle endorsement, is a Class A traffic violation.

(6)(a) The court shall suspend a fine imposed under subsection (5) of this section on the condition that the person, within 120 days of the date of sentencing:

(A) Complete a motorcycle education course established by the department under ORS 802.320; and

(B) Obtain a motorcycle endorsement issued under ORS 807.170.

(b) The court shall set a hearing date for 120 days from the date of sentencing. At the hearing the court shall:

(A) If the person has successfully completed the requirements described in paragraph (a)(A) and (B) of this subsection, [*dismiss the fine imposed under subsection (5) of this section*] **enter a sentence of discharge**; or

(B) If the person has not successfully completed the requirements described in paragraph (a)(A) and (B) of this subsection:

(i) Grant the person an extension based on good cause shown; or

(ii) Impose the fine under subsection (5) of this section.

(7) The offense described in subsection (2) of this section, operating in violation of license restrictions, is a Class B traffic violation.

**SECTION 2.** ORS 807.120 is amended to read:

807.120. (1) The Department of Transportation may place restrictions on any driving privileges granted a person if the department determines that there is good cause to restrict the driving privileges of the person in order to ensure the safe operation of a motor vehicle by the person.

(2) Restrictions placed on a driver license or driver permit by the department under this section shall be suitable to the driving ability of the person whose driving privileges are restricted. The restrictions may include:

(a) Restrictions on the type of motor vehicle the person may operate;

(b) Requirements for special mechanical control devices on motor vehicles operated by the person; or

(c) Any other restrictions the department determines appropriate to ensure the safe operation of a motor vehicle by the person.

(3) The department shall place a restriction on the commercial driver license of a person who performs the skill demonstration required under ORS 807.070 for issuance of a commercial driver license in a vehicle that:

(a) Is not equipped with air brakes. A restriction imposed under this paragraph prohibits the person from operating commercial motor vehicles equipped with service brakes that operate fully or partially by air pressure.

(b) Is equipped with air over hydraulic brakes. Air over hydraulic brakes includes any braking system operating partially by air pressure and partially by hydraulic pressure. A restriction imposed under this paragraph prohibits the person from operating commercial motor vehicles equipped with service brakes that operate solely by air pressure.

(c) Is equipped with an automatic transmission. A restriction imposed under this paragraph prohibits the person from operating commercial motor vehicles equipped with manual transmissions.

(d) Uses any connection other than a fifth wheel hitch between the power unit and a vehicle towed in combination with the power unit. A restriction under this paragraph prohibits the person from operating a commercial motor vehicle in combination with any other vehicle using a fifth wheel hitch between the power unit and first towed unit.

(4) The department shall place a restriction on the commercial driver license and the commercial learner driver permit of a person who does not pass an air brakes knowledge test administered under ORS 807.070. The restriction shall prohibit the person from operating a commercial motor vehicle with service brakes that operate fully or partially by air pressure.

(5) The department may impose restrictions under this section by setting forth the restrictions on the regular license form or by issuing a special form for licenses with restrictions.

(6) The department shall place restrictions on driving privileges under this section when ordered by a court under ORS [*809.210 or*] 809.270. Any restriction imposed under this subsection shall be made a part of the person's driving record and shall remain in effect until the court notifies the department in writing that the restrictions are removed.

(7) The department may impose restrictions under this section on driving privileges that are restored after having been suspended or revoked. The restrictions imposed under this subsection may include any restrictions that have been recommended by a convicting magistrate.

(8) The use of the term "restrictions" in this section includes any restrictions, conditions or requirements.

(9) Violation of any restrictions placed on driving privileges under this section is punishable as provided under ORS 807.010.

**SECTION 3.** ORS 809.380 is amended to read:

809.380. All of the following apply to a person whose driving privileges have been suspended:

(1) The period of suspension shall last as long as provided for that particular suspension by law.

(2) During the period of suspension, the person is not entitled to exercise any driving privileges in this state except as provided under this subsection. Unless otherwise specifically provided by law, a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

(3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon request of the person, the suspended driving privileges and any license or driver permit that evidences the driving privileges. The reissuance shall be without requalification by the person except that the department may require the person to furnish evidence satisfactory to the department that the person is qualified to continue to exercise driving privileges in this state before the department reissues the driving privileges.

(4) The department may not issue any driving privileges in contradiction to this section.

(5) If the person fails to surrender to the department any license or driver permit issued as evidence of driving privileges that are suspended, the person is subject to the penalties under ORS 809.500.

(6) No reinstatement of suspended driving privileges will be made by the department until the fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or waived by the department. The department may waive the reinstatement fee for any of the following reasons:

(a) The suspension occurred under ORS 809.419 for failure to take an examination upon request of the department under ORS 807.340.

(b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance upon request of the department under ORS 807.070 or 807.090.

(c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or having a mental or physical condition or impairment that affects the person's ability to safely operate a motor vehicle.

(d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a hospital under ORS 807.700 that a person should not drive.

(e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375 that a person charged with a traffic offense has been found guilty except for insanity.

(f) The department committed an error in issuing the suspension.

(g) The suspension was the result of an error committed by an insurance company in issuing or failing to issue a certification of insurance or in canceling a certification of insurance filed with the department under ORS 806.270.

(h) The department issued the suspension without error because the person failed to respond as required under ORS 806.150 or to furnish proof of exemption under ORS 806.210 from the filing requirement of ORS 806.200, but the department later determines that the person in fact was in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of an accident described in ORS 806.200.

(i) The department issued the suspension without error because the person was not in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department later determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150 or at the time of the accident.

(j) The suspension was the result of an error committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS 806.150.

(k) The suspension occurred because the person failed to make future responsibility filings but the department later determines that the reason for the failure was that the person was a military reservist or a member of a national guard unit that was ordered to active military duty to a location outside of the United States. The effective date of the military orders must be prior to the effective date of a suspension issued by the department for failure to make a future responsibility filing.

(L) The department issued the suspension without error because the department received a notice to suspend from a court under ORS [809.210 or] 809.220, but the department later determines that the person in fact was in compliance with the requirements of the court prior to the effective date of the suspension.

**SECTION 4.** ORS 809.380, as operative until July 1, 2020, is amended to read:

809.380. All of the following apply to a person whose driving privileges have been suspended:

(1) The period of suspension shall last as long as provided for that particular suspension by law.

(2) During the period of suspension, the person is not entitled to exercise any driving privileges in this state except as provided under this subsection. Unless otherwise specifically provided by law, a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

(3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon request of the person, the suspended driving privileges and any license or driver permit that evidences the driving privileges. The reissuance shall be without requalification by the person except that the department may require the person to furnish evidence satisfactory to the department that the person is qualified to continue to exercise driving privileges in this state before the department reissues the driving privileges.

(4) The department may not issue any driving privileges in contradiction to this section.

(5) If the person fails to surrender to the department any license or driver permit issued as evidence of driving privileges that are suspended, the person is subject to the penalties under ORS 809.500.

(6) No reinstatement of suspended driving privileges will be made by the department until the fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or waived by the department. The department may waive the reinstatement fee for any of the following reasons:

(a) The suspension occurred under ORS 809.419 for failure to take an examination upon request of the department under ORS 807.340.

(b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance upon request of the department under ORS 807.070 or 807.090.

(c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or having a mental or physical condition or impairment that affects the person's ability to safely operate a motor vehicle.

(d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a hospital under ORS 807.700 that a person should not drive.

(e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375 that a person charged with a traffic offense has been found guilty except for insanity.

(f) The department committed an error in issuing the suspension.

(g) The suspension was the result of an error committed by an insurance company in issuing or failing to issue a certification of insurance or in canceling a certification of insurance filed with the department under ORS 806.270.

(h) The department issued the suspension without error because the person failed to respond as required under ORS 806.160 or to furnish proof of exemption under ORS 806.210 from the filing requirement of ORS 806.200, but the department later determines that the person in fact was in compliance with financial responsibility requirements as of the date of the department's letter of verification under ORS 806.150 or at the time of an accident described in ORS 806.200.

(i) The department issued the suspension without error because the person was not in compliance with financial responsibility requirements as of the date of the department's letter of verifica-

tion under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department later determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date of the department's letter of verification or at the time of the accident.

(j) The suspension was the result of an error committed by an insurance company in notifying the department regarding the correctness of a certification under ORS 806.150.

(k) The suspension occurred because the person failed to make future responsibility filings but the department later determines that the reason for the failure was that the person was a military reservist or a member of a national guard unit that was ordered to active military duty to a location outside of the United States. The effective date of the military orders must be prior to the effective date of a suspension issued by the department for failure to make a future responsibility filing.

(L) The department issued the suspension without error because the department received a notice to suspend from a court under ORS [809.210 *or*] 809.220, but the department later determines that the person in fact was in compliance with the requirements of the court prior to the effective date of the suspension.

**SECTION 5.** ORS 809.415 is amended to read:
