10 **SECTION 2.** ORS 807.120 is amended to read:

11 807.120. (1) The Department of Transportation may place restrictions on any driving privileges
 12 granted a person if the department determines that there is good cause to restrict the driving priv-
 13 ileges of the person in order to ensure the safe operation of a motor vehicle by the person.

14 (2) Restrictions placed on a driver license or driver permit by the department under this section
 15 shall be suitable to the driving ability of the person whose driving privileges are restricted. The
 16 restrictions may include:

17 (a) Restrictions on the type of motor vehicle the person may operate;

18 (b) Requirements for special mechanical control devices on motor vehicles operated by the per-
 19 son; or

20 (c) Any other restrictions the department determines appropriate to ensure the safe operation
 21 of a motor vehicle by the person.

22 (3) The department shall place a restriction on the commercial driver license of a person who
 23 performs the skill demonstration required under ORS 807.070 for issuance of a commercial driver
 24 license in a vehicle that:

25 (a) Is not equipped with air brakes. A restriction imposed under this paragraph prohibits the
 26 person from operating commercial motor vehicles equipped with service brakes that operate fully
 27 or partially by air pressure.

28 (b) Is equipped with air over hydraulic brakes. Air over hydraulic brakes includes any braking
 29 system operating partially by air pressure and partially by hydraulic pressure. A restriction imposed
 30 under this paragraph prohibits the person from operating commercial motor vehicles equipped with
 31 service brakes that operate solely by air pressure.

32 (c) Is equipped with an automatic transmission. A restriction imposed under this paragraph
 33 prohibits the person from operating commercial motor vehicles equipped with manual transmissions.

34 (d) Uses any connection other than a fifth wheel hitch between the power unit and a vehicle
 35 towed in combination with the power unit. A restriction under this paragraph prohibits the person
 36 from operating a commercial motor vehicle in combination with any other vehicle using a fifth wheel
 37 hitch between the power unit and first towed unit.

38 (4) The department shall place a restriction on the commercial driver license and the commer-
 39 cial learner driver permit of a person who does not pass an air brakes knowledge test administered
 40 under ORS 807.070. The restriction shall prohibit the person from operating a commercial motor
 41 vehicle with service brakes that operate fully or partially by air pressure.

42 (5) The department may impose restrictions under this section by setting forth the restrictions
 43 on the regular license form or by issuing a special form for licenses with restrictions.

44 (6) The department shall place restrictions on driving privileges under this section when ordered
 45 by a court under ORS [*809.210 or*] 809.270. Any restriction imposed under this subsection shall be

1 made a part of the person's driving record and shall remain in effect until the court notifies the
2 department in writing that the restrictions are removed.

3 (7) The department may impose restrictions under this section on driving privileges that are
4 restored after having been suspended or revoked. The restrictions imposed under this subsection
5 may include any restrictions that have been recommended by a convicting magistrate.

6 (8) The use of the term "restrictions" in this section includes any restrictions, conditions or
7 requirements.

8 (9) Violation of any restrictions placed on driving privileges under this section is punishable as
9 provided under ORS 807.010.

10 **SECTION 3.** ORS 809.380 is amended to read:

11 809.380. All of the following apply to a person whose driving privileges have been suspended:

12 (1) The period of suspension shall last as long as provided for that particular suspension by law.

13 (2) During the period of suspension, the person is not entitled to exercise any driving privileges
14 in this state except as provided under this subsection. Unless otherwise specifically provided by law,
15 a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship
16 driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

17 (3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon re-
18 quest of the person, the suspended driving privileges and any license or driver permit that evidences
19 the driving privileges. The reissuance shall be without requalification by the person except that the
20 department may require the person to furnish evidence satisfactory to the department that the per-
21 son is qualified to continue to exercise driving privileges in this state before the department reissues
22 the driving privileges.

23 (4) The department may not issue any driving privileges in contradiction to this section.

24 (5) If the person fails to surrender to the department any license or driver permit issued as ev-
25 idence of driving privileges that are suspended, the person is subject to the penalties under ORS
26 809.500.

27 (6) No reinstatement of suspended driving privileges will be made by the department until the
28 fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or
29 waived by the department. The department may waive the reinstatement fee for any of the following
30 reasons:

31 (a) The suspension occurred under ORS 809.419 for failure to take an examination upon request
32 of the department under ORS 807.340.

33 (b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance
34 upon request of the department under ORS 807.070 or 807.090.

35 (c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or
36 having a mental or physical condition or impairment that affects the person's ability to safely op-
37 erate a motor vehicle.

38 (d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a
39 hospital under ORS 807.700 that a person should not drive.

40 (e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375
41 that a person charged with a traffic offense has been found guilty except for insanity.

42 (f) The department committed an error in issuing the suspension.

43 (g) The suspension was the result of an error committed by an insurance company in issuing or
44 failing to issue a certification of insurance or in canceling a certification of insurance filed with the
45 department under ORS 806.270.

1 (h) The department issued the suspension without error because the person failed to respond as
 2 required under ORS 806.150 or to furnish proof of exemption under ORS 806.210 from the filing re-
 3 quirement of ORS 806.200, but the department later determines that the person in fact was in com-
 4 pliance with financial responsibility requirements as of the date specified by the department by rule
 5 under ORS 806.150 or at the time of an accident described in ORS 806.200.

6 (i) The department issued the suspension without error because the person was not in compli-
 7 ance with financial responsibility requirements as of the date specified by the department by rule
 8 under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department later
 9 determines that the person reasonably and in good faith believed that the person was in compliance
 10 with financial responsibility requirements on the date specified by the department by rule under
 11 ORS 806.150 or at the time of the accident.

12 (j) The suspension was the result of an error committed by an insurance company in notifying
 13 the department regarding the correctness of proof of compliance with financial responsibility re-
 14 quirements provided under ORS 806.150.

15 (k) The suspension occurred because the person failed to make future responsibility filings but
 16 the department later determines that the reason for the failure was that the person was a military
 17 reservist or a member of a national guard unit that was ordered to active military duty to a location
 18 outside of the United States. The effective date of the military orders must be prior to the effective
 19 date of a suspension issued by the department for failure to make a future responsibility filing.

20 (L) The department issued the suspension without error because the department received a no-
 21 tice to suspend from a court under ORS [809.210 *or*] 809.220, but the department later determines
 22 that the person in fact was in compliance with the requirements of the court prior to the effective
 23 date of the suspension.

24 **SECTION 4.** ORS 809.380, as operative until July 1, 2020, is amended to read:

25 809.380. All of the following apply to a person whose driving privileges have been suspended:

26 (1) The period of suspension shall last as long as provided for that particular suspension by law.

27 (2) During the period of suspension, the person is not entitled to exercise any driving privileges
 28 in this state except as provided under this subsection. Unless otherwise specifically provided by law,
 29 a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship
 30 driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

31 (3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon re-
 32 quest of the person, the suspended driving privileges and any license or driver permit that evidences
 33 the driving privileges. The reissuance shall be without requalification by the person except that the
 34 department may require the person to furnish evidence satisfactory to the department that the per-
 35 son is qualified to continue to exercise driving privileges in this state before the department reissues
 36 the driving privileges.

37 (4) The department may not issue any driving privileges in contradiction to this section.

38 (5) If the person fails to surrender to the department any license or driver permit issued as ev-
 39 idence of driving privileges that are suspended, the person is subject to the penalties under ORS
 40 809.500.

41 (6) No reinstatement of suspended driving privileges will be made by the department until the
 42 fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or
 43 waived by the department. The department may waive the reinstatement fee for any of the following
 44 reasons:

45 (a) The suspension occurred under ORS 809.419 for failure to take an examination upon request

1 of the department under ORS 807.340.

2 (b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance
3 upon request of the department under ORS 807.070 or 807.090.

6 erate a motor vehicle.

7 (d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a
8 hospital under ORS 807.700 that a person should not drive.

9 (e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375
10 that a person charged with a traffic offense has been found guilty except for insanity.

11 (f) The department committed an error in issuing the suspension.

12 (g) The suspension was the result of an error committed by an insurance company in issuing or
13 failing to issue a certification of insurance or in canceling a certification of insurance filed with the
14 department under ORS 806.270.

15 (h) The department issued the suspension without error because the person failed to respond as
16 required under ORS 806.160 or to furnish proof of exemption under ORS 806.210 from the filing re-
17 quirement of ORS 806.200, but the department later determines that the person in fact was in com-
18 pliance with financial responsibility requirements as of the date of the department's letter of
19 verification under ORS 806.150 or at the time of an accident described in ORS 806.200.

20 (i) The department issued the suspension without error because the person was not in compli-
21 ance with financial responsibility requirements as of the date of the department's letter of verifica-
22 tion under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department
23 later determines that the person reasonably and in good faith believed that the person was in com-
24 pliance with financial responsibility requirements on the date of the department's letter of verifica-
25 tion or at the time of the accident.

26 (j) The suspension was the result of an error committed by an insurance company in notifying
27 the department regarding the correctness of a certification under ORS 806.150.

28 (k) The suspension occurred because the person failed to make future responsibility filings but
29 the department later determines that the reason for the failure was that the person was a military
30 reservist or a member of a national guard unit that was ordered to active military duty to a location
31 outside of the United States. The effective date of the military orders must be prior to the effective
32 date of a suspension issued by the department for failure to make a future responsibility filing.

33 (L) The department issued the suspension without error because the department received a no-
34 tice to suspend from a court under ORS [809.210 or] 809.220, but the department later determines
35 that the person in fact was in compliance with the requirements of the court prior to the effective
