CONCURRENT RESOLUTION

Be It Resolved by the Legislative Assembly of the State of Oregon:

That Legislative Branch Personnel Rule 27, as amended and in effect on June 29, 2019, is further amended, and Legislative Branch Personnel Rule 27-A is adopted, as follows:

Legislative Branch Personnel Rule 27: Safe, Respectful and Inclusive Workplace.

(1) Policy.

(a) The Legislative Branch is committed to promoting a respectful and inclusive environment in the State Capitol and in any setting in which conduct has the ability to create a Capitol environment that is intimidating, hostile or offensive, or may constitute conduct that amounts to retaliation for the making of a good-faith complaint under this rule or for participation in an investigation under this rule.

(b) The Legislative Branch is committed to providing a safe and respectful workplace and to taking proactive steps to improve its culture so that behavior from any source that has a negative impact on the workplace may be effectively reported and promptly addressed and resolved.

(c) The Legislative Branch is equally committed to protecting freedom of speech and expression, as guaranteed to all persons through the free expression protections of Article I, section 8, of the Oregon Constitution, and through the First Amendment to the United States Constitution, and the Legislative Branch recognizes that the constitutional protections guaranteeing freedom of speech and expression must be taken into account in determining the rights afforded to individuals in the State Capitol under this rule.

(d) The Legislative Branch emphasizes the importance of fostering an environment where all viewpoints are welcomed and respected, as disagreement does not equal harassment.

(e) Members of the Legislative Assembly and all Legislative Branch employees are expected to conduct themselves in a manner that is free of harassment and to discourage all harassment in the workplace and at professional meetings, seminars or at any event at which legislative business is conducted.

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

11 (C) Take any other action that is warranted to achieve the policies established under
 12 these rules.

13 [(e)] (f) After a determination under paragraphs (d) and (e) of this subsection that an in-
 14 vestigation is warranted, the independent investigator shall promptly:

15 (A) Deliver a copy of the conduct complaint to the person accused of engaging in behavior
 16 prohibited by this rule, who shall thereafter be the respondent; and

17 (B) If the respondent:

18 (i) Is a member of the Legislative Assembly, deliver a copy of the complaint to the caucus leader
 19 of the caucus in which the member serves;

20 (ii) Is a caucus leader, deliver a copy of the complaint to the presiding officer of the chamber
 21 in which the caucus leader serves and to a member who is in an elected leadership position of the
 22 caucus in which the caucus leader serves;

23 (iii) Is a Legislative Branch employee in either a partisan or nonpartisan staff position, deliver
 24 a copy of the complaint to the appointing authority for the respondent;

25 (iv) Is an agency head, deliver a copy of the complaint to the presiding officers;

26 (v) Is a parliamentarian, deliver a copy of the complaint to the presiding officer of the chamber
 27 in which the parliamentarian serves; and

28 (vi) Is a registered lobbyist, executive or judicial branch employee, employee of a contractor or
 29 a member of the public, deliver a copy of the complaint to the Legislative Administrator.

30 [(f)] (g) The [*independent investigator shall promptly provide, or shall ensure that the*] Legislative
 31 Equity Officer [*provides,*] shall provide the complainant with information on available resources,
 32 including resources described in subsection (10)(e)(B) and (C) of this rule.

33 [(g)] (h) Upon delivery of the conduct complaint as prescribed in paragraph (f) of this sub-
 34 section, the independent investigator shall promptly begin the investigation described in subsection
 35 (14) of this rule and recommend any necessary interim safety measures as described in subsection
 36 (13) of this rule.

37 (13) Interim safety measures.

38 (a) Upon receipt of a conduct report made under subsection (11) of this rule or a conduct com-
 39 plaint made under subsection (12) of this rule, or at any time during the course of an investigation,
 40 the independent investigator may determine that an interim safety measure needs to be implemented
 41 to ensure the safety of the complainant or any other individual who has experienced behavior that
 42 is prohibited by this rule or who may reasonably be foreseen as at risk of being subjected to be-
 43 havior that is prohibited by this rule. The Legislative Equity Officer or an offsite process counselor
 44 may also recommend an interim safety measure if interim safety measures are sought by an indi-
 45 vidual making a confidential disclosure under subsection (10) of this rule. The investigator, officer

1 or counselor may recommend any interim safety measure that they determine is appropriate to the
2 situation, including but not limited to:

3 (A) Temporary reassignment of the respondent;

4 (B) Alternative work location for the respondent, including being duty-stationed at home;

5 (C) Establishing a no contact order;

6 (D) Placing the respondent on paid or unpaid leave and prohibiting the respondent from being
7 present in the workplace or the State Capitol;

8 (E) Directing the respondent to be absent from the State Capitol until the investigation is com-
9 plete; or

10 (F) In severe situations, involving law enforcement.

11 (b) Any interim safety measure that is recommended or that is implemented may not prejudice
12 a complainant or put a complainant in a worse position than the complainant was in before the
13 complaint was made.

14 (c)(A) Any interim safety measure that is imposed may not unlawfully impair any lawful rights
15 an accused person may exercise.

16 (B) Any interim safety measure that is imposed on a member of the Legislative Assembly must
17 be narrowly tailored to minimize limitations on the member's ability to perform core legislative
18 functions and to address immediate safety concerns, and an interim safety measure may not be im-
19 posed until after the member is given notice of the proposed interim safety measure and an oppor-
20 tunity to be heard by the applicable chamber committee on conduct.

21 (d) If the respondent is a member of the Legislative Assembly:

22 (A) The committee on conduct of the chamber in which the respondent serves is authorized to
23 impose an interim safety measure on the respondent that lasts no longer than until the complaint
24 is resolved;

25 (B) The independent investigator shall report the investigator's interim safety recommendation
26 and the reasons for the recommendation to the respondent, to the committee and to the presiding
27 officer of the chamber; and

28 (C) The committee shall promptly deliberate on the recommendation and shall adopt such in-
29 terim safety measures that the committee determines are appropriate. For purposes of conducting
30 a hearing to deliberate on interim safety measures under this paragraph, the committee hearing need
31 only comply with one-hour notice requirements.

32 (e) If the respondent is not a member of the Legislative Assembly, the independent investigator
33 shall make the investigator's interim safety recommendation:

34 (A) In the case of a respondent who is a Legislative Branch employee in either a partisan or
35 nonpartisan staff position, to the employee's appointing authority.

36 (B) In the case of a respondent who is a State of Oregon employee but not a Legislative Branch
37 employee, to the employee's agency director and the Legislative Administrator.

38 (C) In the case of a respondent who is a lobbyist, employee of a contractor or member of the
39 public, to the Legislative Administrator.

40 (f) The person who receives the independent investigator's interim safety recommendation made
41 under paragraph (e) of this subsection shall act promptly on the recommendation.

42 (g) The Legislative Equity Officer or an offsite process counselor that has received a confiden-
43 tial disclosure under subsection (10) of this rule may recommend interim safety measures under this
44 subsection if requested by the individual making a disclosure under subsection (10) of this rule, ex-
45 cept that the interim safety measure may not:

1 (A) Identify the individual making the confidential disclosure without the consent of the indi-
2 vidual; or

3 (B) Penalize or place the person who is the subject of the disclosure in a worse position than
4 before the disclosure was made.

5 (14) Investigations.

6 (a) As soon as is practicable after [*adoption of this rule and chapter _____, Oregon Laws 2019*
7 (*Enrolled House Bill 3377*) (*as amended by HB 3377-9 amendments*)] **July 23, 2019**, the Joint Com-
8 mittee on Conduct shall:

9 (A) Adopt standards and criteria for the selection of an independent investigator unaffiliated
10 with the Legislative Branch, and the Legislative Equity Officer shall maintain a list of potential
11 independent investigators who meet the standards and criteria established by the committee; and

12 (B) Direct the Legislative Equity Officer to enter into one or more contracts with individuals
13 who meet the standards and criteria established by the committee, to serve as an independent in-
14 vestigator under this rule.

15 (b) An investigation that is to be conducted under this subsection shall be conducted promptly
16 and shall be completed as soon as is practicable. The investigation must be completed within 84 days
17 from the date the complaint is made, except that the Legislative Equity Officer may extend the time
18 by which the investigation must be completed if the independent investigator provides advance no-
19 tice to the complainant and the respondent of the extension and an explanation justifying the ex-
20 tension.

21 (c) The independent investigator shall keep the complainant and the respondent apprised of the
22 investigation timeline and the status of the investigation at the outset of an investigation, on a
23 regular basis thereafter and upon request of the complainant or respondent.

24 (d)(A) The independent investigator shall use best practices in conducting the investigation and
25 shall make findings of fact relevant to the allegations. The investigator shall prepare draft written
26 findings of fact at least eight days before the investigation must be concluded under paragraph (b)
27 of this subsection and shall provide the draft written findings to the complainant and the respondent.

28 (B) If the respondent is someone other than a member of the Legislative Assembly, the draft
29 written findings shall also contain a proposed finding of whether one or more violations of this rule
30 occurred.

31 **(C) In all investigations, the independent investigator shall consider whether the conduct**
32 **that is the subject of the investigation constitutes discrimination by denigrating or showing**
33 **hostility toward a protected class or toward an individual because of the individual's status**
34 **as a member of a protected class. The investigator shall report the investigator's consider-**
35 **ations under this subparagraph in the investigator's draft written findings. If the investi-**
36 **gator determines that the conduct constitutes discrimination by denigrating or showing**
37 **hostility toward an individual because of the individual's status as a member of a protected**
38 **class, the investigator may not specify in the investigator's draft written findings the pro-**
39 **TECTED CLASS TO WHICH THE INDIVIDUAL BELONGS.**

40 [(C)] (D) The complainant and the respondent may give responses to the draft written findings
41 to the investigator within seven days of receiving the draft.

42 [(D)] (E) The independent investigator shall consider responses supplied under subparagraph
43 [(C)] (D) of this paragraph and shall prepare a final report that sets forth the investigator's findings
44 of fact **and considerations regarding the presence or absence of discrimination described in**
45 **subparagraph (C) of this paragraph.** If the respondent is someone other than a member of the

1 Legislative Assembly, the final report should also include a determination by the investigator of
2 whether the facts constitute a violation of this rule.

3 (e)(A) If a member of the Legislative Assembly is the respondent, the independent investigator
4 shall deliver the final report to the complainant, the respondent, **the Legislative Equity Officer**
5 and the committee on conduct for the chamber in which the respondent serves on or before the date
6 established under paragraph (b) of this subsection for the completion of the investigation.

7 (B) The complainant and the respondent may each submit to the appropriate committee on
8 conduct a written challenge to the factual findings set forth in the final report within seven days
9 of receipt of the report. A challenge must identify the factual findings that are the subject of the
10 challenge and articulate the reason those findings are in error.

11 (C) The committee on conduct shall conduct a hearing on the allegations made in the complaint
12 and the investigator's final report within [14] **21** days of receiving the report from the investigator.
13 The committee shall permit the complainant and the respondent to appear, present documents and
14 physical evidence and suggest witnesses. The committee may determine to hear witnesses, but only
15 committee members may question witnesses.

16 (D) At the hearing or a subsequent hearing, the committee on conduct shall deliberate and:

17 (i) Make a final determination of facts;

18 (ii) Make a final determination of whether the facts constitute a violation of this rule; and

19 (iii) If the determination is that a violation of this rule occurred, prescribe or recommend rem-
20 edies as described in subsection (15) of this rule.

21 (f) If a member of the Legislative Assembly is the respondent and irrevocably resigns the
22 member's office at any time after the conduct complaint is made, the investigation described in this
23 subsection and the committee on conduct hearing and final committee determinations described in
24 paragraph (e) of this subsection shall nevertheless take place.

25 (g)(A) If someone other than a member of the Legislative Assembly is the respondent, the inde-
26 pendent investigator shall deliver the final report, including proposed findings of violations, to the
27 complainant, the respondent and:

28 (i) In the case of a respondent who is a Legislative Branch employee in a nonpartisan staff po-
29 sition, to the respondent's appointing authority.

30 (ii) In the case of a respondent who is a Legislative Branch employee in a partisan staff position,
31 to the respondent's appointing authority and, **if the investigator determined that a violation of**
32 **the rule had occurred**, to the committee on conduct of the chamber with which the employee is
33 affiliated.

34 (iii) In the case of a respondent who is a State of Oregon employee but not a Legislative Branch
35 employee, to the Legislative Administrator and the respondent's agency director.

36 (iv) In the case of a respondent who is a lobbyist, employee of a contractor or member of the
37 public, to the Legislative Administrator.

38 **(v) In all instances, to the Legislative Equity Officer.**

39 (B) A nonpartisan staff appointing authority who receives the independent investigator's final
40 report under subparagraph (A)(i) of this paragraph, or the Legislative Administrator upon receiving
41 the independent investigator's final report under subparagraph (A)(iii) or (iv) of this paragraph, shall
42 determine remedial measures described in subsection (15) of this rule within 14 days of receiving the
43 investigator's final report.

44 (C) The appropriate committee on conduct that receives the independent investigator's final re-
45 port under subparagraph (A)(ii) of this paragraph shall, **if the investigator determined that a vi-**

1 **olation of the rule had occurred**, make a recommendation on remedial measures described in
 2 subsection (15) of this rule to the supervising member of the Legislative Assembly within [*seven*] 14
 3 days of receiving the investigator's final report. The supervising member of the Legislative Assembly
 4 shall consider the recommendations and make a final determination on the remedial measures within
 5 [14] 21 days of receiving the investigator's final report.

6 (15) Remedial measures.

7 (a) In a case where the respondent is a member of the Legislative Assembly and the appropriate
 8 committee on conduct has made a determination under subsection (14)(e) of this rule that a violation
 9 of this rule has occurred, the committee shall impose any remedy that is sufficient to reprimand the
 10 member and deter future conduct that violates the rule, including but not limited to a reprimand,
 11 monetary fine or other remedy that the committee determines is appropriate under the
 12 circumstances[, *except that*]:

13 (A) **Except that**, if the committee recommendation is to expel the member, the committee shall
 14 report that recommendation to the full chamber, which shall act on that recommendation at its
 15 earliest opportunity; [*and*]

16 (B) **Except that**, if the committee recommendation is to remove the member from one or more
 17 committees to which the member is assigned, **unless subparagraph (C) of this paragraph applies**,
 18 the committee shall report that recommendation to the presiding officer of that chamber; **and**

19 (C) **Including the removal of the member from the committee on conduct. If a member**
 20 **is removed from the committee on conduct under this subsection, the member also is re-**
 21 **moved from the Joint Committee on Conduct.**

22 (b)(A) In a case where the respondent is a Legislative Branch employee in a nonpartisan staff
 23 position, the appointing authority, in consultation with the Human Resources Director, shall deter-
 24 mine an appropriate remedy that is consistent with the independent investigator's determination
 25 that the respondent violated the requirements of this rule.

26 (B) The respondent may appeal the investigator's final report or any remedial measure imposed
 27 under this paragraph after the report has been delivered to the appointing authority but no later
 28 than seven days after the imposition of remedial measures under this subsection, except that any
 29 appeal must be based only on:

30 (i) Newly discovered evidence that was not taken into account by the investigator;

31 (ii) A claim of process error that is being asserted by the appellant; or

32 (iii) A claim that the investigator or the person or committee that imposed a remedy acted with
 33 bias.

34 (C) The appeal may be made to the Joint Committee on Conduct.

35 (c)(A) In a case where the respondent is a Legislative Branch employee in a partisan staff po-
 36 sition, the committee on conduct of the chamber with which the employee is affiliated shall, **if the**
 37 **investigator determined that a violation of the rule had occurred**, make a recommendation on
 38 an appropriate remedy consistent with the independent investigator's determination that the re-
 39 spondent violated the requirements of this rule. The committee's recommendation shall be made to
 40 the member of the Legislative Assembly for whom the respondent works.

41 (B) The member shall determine the appropriate remedy within the time prescribed in subsection
 42 (14)(g)(C) of this rule and shall notify the Legislative Equity Officer upon making the determination.

43 (C) If the Legislative Equity Officer determines that no remedial measures were imposed under
 44 subparagraph (B) of this paragraph or that the remedial measures imposed were substantially dif-
 45 ferent from the remedial measures recommended by the committee, the officer shall notify the com-

1 mittee of the disparity. The committee may hold a hearing and may impose a remedy.

2 (D) The respondent may appeal the investigator's final report or the remedial measure imposed
3 under this paragraph to the committee on conduct with which the respondent is associated within
4 seven days after the remedial measure is imposed, except that any appeal must be based only on a
5 claim described in paragraph (b)(B) of this subsection.

6 (d)(A) In a case where the respondent is a lobbyist, employee of a contractor or other person
7 who is present in the State Capitol for professional or work reasons, or is a member of the public,
8 and the independent investigator's final report determines that a violation of this rule has occurred,
9 the Legislative Administrator shall determine an appropriate remedy that is consistent with the
10 investigator's determination. The respondent may appeal the investigator's final report or the reme-
11 dy determined by the Legislative Administrator to the co-chairs of the Legislative Administration
12 Committee within seven days of the Legislative Administrator's determination, except that any ap-
13 peal must be based only on a claim described in paragraph (b)(B) of this subsection.

14 (B) If the respondent is a lobbyist, employee of a contractor or other person who is present in
15 the State Capitol for professional or work reasons, the Legislative Administrator shall provide no-
16 tice of the proposed remedy under this paragraph to the respondent and the respondent's employer
17 within 14 days of receiving the final report from the investigator. If the respondent is a lobbyist who
18 is a member of an association of professional lobbyists, the Legislative Administrator shall also
19 provide notice of the proposed remedy to the association.

20 (C) The Legislative Administrator may modify the proposed remedy at any time until 28 days
21 after receipt of the investigator's final report, but thereafter the proposed remedy is final.

22 **(e) Each officer or entity charged with imposing a remedial measure under this sub-**
23 **section shall consider and weigh the presence or absence of discrimination as described in**
24 **subsection (14)(d)(C) of this rule in the conduct found to be a violation of this rule. Because**
25 **the Legislative Branch is committed to promoting a safe, respectful and inclusive workplace**
26 **and environment in the State Capitol, a finding that discrimination was present in the con-**
27 **duct found to be a violation of this rule justifies enhancing the severity of the remedy to be**
28 **imposed.**

29 **(f) In addition to the follow-up described in subsection (9)(b) of this rule, the Legislative**
30 **Equity Officer shall engage in final process counseling with an impacted party as soon as is**
31 **practicable after:**

32 **(A) A determination is made under subsection (14) that no violation of this rule occurred;**
33 **or**

34 **(B) A final determination is made under this subsection concerning the imposition of**
35 **remedies.**

36 (16) Confidentiality and transparency.

37 (a) The independent investigator undertaking an investigation under subsection (14) of this rule
38 and the Legislative Equity Officer shall provide as much privacy as possible during the course of
39 an investigation.

40 (b) The independent investigator and the Legislative Equity Officer shall maintain all records
41 and information about an investigation confidentially, except that:

42 (A) The investigator may disclose the fact of the investigation and any relevant details of the
43 investigation to the appointing authority of the complainant and the respondent and the Joint
44 Committee on Conduct, if the investigator determines there is a legitimate need to disclose the in-
45 formation; and

1 (B) In the case of a respondent who is a member of the Legislative Assembly, the investigator
2 may disclose the fact of the investigation and any relevant details of the investigation to the person
3 to whom the conduct complaint was delivered under subsection [(12)(e)(B)] **(12)(f)(B)** of this rule.

4 (c) A conduct complaint made under subsection (12) of this rule is disclosable upon being made
5 under subsection (12) of this rule, but all records relating to an ongoing investigation under sub-
6 section (14) of this rule shall be maintained in confidence.

7 (d) Records and information of the independent investigator and the Legislative Equity Officer
8 shall be exempt from disclosure as prescribed under applicable law, except that, also as prescribed
9 under applicable law:

10 (A) A conduct complaint made under subsection (12) of this rule is disclosable when requested;

11 (B) Records relating to a member of the Legislative Assembly following a conduct complaint
12 being made concerning the member are subject to disclosure after the fact-finding investigation has
13 concluded, even if a legislative committee has not yet met or deliberated on the investigation's
14 findings; and

15 (C) Records relating to an investigation of allegations of conduct prohibited by legislative
16 branch personnel rules and not described in subparagraph (A) or (B) of this paragraph are subject
17 to disclosure upon a determination being made that the person who was the subject of the investi-
18 gation is subject to remedial measures or discipline.

19 (17) Establishment of committees on conduct.

20 (a)(A) The Senate Committee on Conduct is established, consisting of four Senators and [two]
21 **six** alternates. Two Senators and [one alternate] **three alternates** must be from the majority party
22 and two Senators and [one alternate] **three alternates** must be from the minority party. Each Sen-
23 ator must be approved by majority vote of the Senate to serve on the committee or to serve as an
24 alternate, following being nominated by any Senator. The majority and minority caucus leaders shall
25 each nominate at least one Senator to serve as a committee member from their caucus.

26 (B) The Senate Committee on Conduct shall perform those functions assigned by this rule to
27 carry out the purposes of Article IV, section 15, of the Oregon Constitution, for the Senate.

28 (C) The Senate shall appoint members of the Senate Committee on Conduct within 15 days after
29 the date of the convening of an organizational session of the odd-numbered year regular session of
30 the Legislative Assembly, as soon as practicable after a vacancy occurs or as soon as practicable
31 after this rule takes effect.

32 (b)(A) The House Committee on Conduct is established, consisting of four Representatives and
33 [two] **six** alternates. Two Representatives and [one alternate] **three alternates** must be from the
34 majority party and two Representatives and [one alternate] **three alternates** must be from the mi-
35 nority party. Each Representative must be appointed by majority vote of the House of Represen-
36 tatives to serve on the committee or to serve as an alternate, following being nominated by any
37 Representative. The majority and minority caucus leaders shall each nominate at least one Repre-
38 sentative to serve as a committee member from their caucus.

39 (B) The House Committee on Conduct shall perform those functions assigned by this rule to
40 carry out the purposes of Article IV, section 15, of the Oregon Constitution, for the House of Rep-
41 resentatives.

42 (C) The House of Representatives shall appoint members of the House Committee on Conduct
43 within 15 days after the date of the convening of an organizational session of the odd-numbered year
44 regular session of the Legislative Assembly, as soon as practicable after a vacancy occurs or as soon
45 as practicable after this rule takes effect.

1 (c) The members of the Senate Committee on Conduct and the members of the House Committee
 2 on Conduct shall together comprise the Joint Committee on Conduct. The Joint Committee on Con-
 3 duct shall perform the duties assigned to the joint committee under chapter [_____] **604**, Oregon
 4 Laws 2019 [(Enrolled House Bill 3377) (as amended by HB 3377-9 amendments)], or this rule.

5 (d)(A) When a member of a committee on conduct is named as a respondent under this rule, the
 6 member [*may not serve*] **shall be recused from service** as a member of the committee or as a
 7 member of the joint committee until the matter is resolved.

8 **(B) When a member of a committee on conduct is a complainant or is identified as an**
 9 **impacted party in a final report in a matter that is pending before a committee on conduct,**
 10 **the member shall be recused from participating in the matter as a committee member.**

11 **(e) If an alternate is required to serve as a member of a committee on conduct, the**
 12 **specific alternate shall be selected so as to preserve the balance of committee membership**
 13 **between majority party and minority party members and thereafter in the order in which the**
 14 **alternate was appointed to be an alternate.**

15 (18) Respectful workplace policies.

16 (a) The Joint Committee on Conduct shall develop and maintain a respectful workplace policy
 17 to address conduct that is inconsistent with the policy direction established for the Legislative
 18 Branch as set forth in subsection (1) of this rule but that does not rise to the level of creating a
 19 hostile work environment or violating public accommodation law.

20 (b) In addition to establishing standards of conduct and giving examples of conduct that violates
 21 those standards, the policy shall establish procedures for determining and imposing remedial meas-
 22 ures, including but not limited to training, coaching and counselling.

23 (c) For Legislative Branch employees, the policy shall also establish procedures for determining
 24 and imposing proportionate discipline when appropriate.

25 (d) For members of the Legislative Assembly, the policy shall also establish procedures for
 26 making recommendations to the appropriate committee on conduct established in subsection (17) of
 27 this rule for proportionate discipline when appropriate.

28 (e) The Human Resources Director shall administer the respectful workplace policy. The direc-
 29 tor may delegate specific tasks under the policy to other Employee Services employees.

30 (19) Recommendation.

31 The Joint Committee on Conduct shall on or before January 1, 2021, make a recommendation
 32 to the President of the Senate and the Speaker of the House of Representatives on whether inves-
 33 tigation functions described in this rule shall continue to be performed by one or more independent
 34 investigators or shall be performed by Legislative Branch personnel affiliated with the Legislative
 35 Equity Office.

36 (20) Application.

37 The five-year limitation in subsections (11)(a) and (12)(a) of this rule applies to conduct occur-
 38 ring before, on or after the effective date of this rule, but does not operate to revive a claim barred
 39 by a previous iteration of this rule.

40

41 **Legislative Branch Personnel Rule 27-A:**

42 **(1) The amendments to Legislative Branch Personnel Rule 27 by this concurrent resolu-**
 43 **tion apply to conduct reports and conduct complaints that are made on or after the date**
 44 **this concurrent resolution is adopted, and to investigations of those reports and complaints.**

45 **(2) This rule is repealed on December 31, 2025.**
