

LC10

Hello State Legislators,

Oregon small restaurants need our help. Hard working people are seeing their businesses and their employees suffer as their livelihoods wash away. COVID has been hard on all of us. But small businesses have felt more than their fair share of the pain. I am asking you to approve LC10 to provide restaurants to widen revenue possibilities by:

- allowing cocktails to go

and

- limit fees for third party delivery sites

Thank you for voting to keep Oregon's independent restaurants alive!
