

Dear Legislators,

I am unable to attend the hearing.

I own 2 rental properties, we need assistance too. If you allow renters to forgo paying rent , then how to I pay the taxes and repairs on the property. HOW do I leverage my rent that is owed per our contract? I cannot afford legal fees. This is a small business , not a charity that I am running. We need assistance too. This situation makes me want to sell the rental houses. Then there will be 2 less rental properties available, think about that please.

Thank you,

Sue Powell
