

Hello -

It has come to my attention that you will be debating a new landlord bill tomorrow. Based on my reading of the bill and talking with other landlords, I would like to suggest that you add in Betsy Johnson's LC881 to the final bill.

LC881 does more to protect tenants, the state and landlord than LC-18 does.

As a landlord, I strongly recommend that the state of Oregon take this into account and revise the original bill.

Sincerely,  
Tim Carey
