

Legislative Plans

- Does your plan use 2020 Census data?
- Have you completed both a House and Senate district plan?
- Are two House districts nested within each Senate district?
- Are the plans complete for the entire state of Oregon?
- Have you included a narrative of your map? The best way to do this is in a separate Word document that you then attach to your plan (Share > Attach Files) prior to submission.

Congressional Plan

- Does your plan use 2020 Census data?
- Is the plan complete for the entire state of Oregon?
- Have you included a narrative of your map? The best way to do this is in a separate Word document that you then attach to your plan (Share > Attach Files) prior to submission.
