

As a proud Oregonian I want you to know how strongly I support fair redistricting free of gerrymandering. Below is my testimony concerning the Redistricting of Oregon. Let's get this right, we have to live with the consequences for a decade. It is evident that Plan B is the right path for Congressional districts in our State. The Senate districts that are presented in Plan B are also the best for the State. Plan B house districts presented are as well the best options for our State

To be clear, I support:
Congressional district – Plan B
Senate Districts – Plan B
House Districts – Plan B

Thank you for documenting my testimony.
