

Dear Members of the Redistricting Committee:

I am a longtime resident of the South-East Eugene neighborhood and a member of the university community. The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation. The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent. I support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Sincerely,

Thea Chroman
