

TO: Members of the Redistricting Committee

From: Mike and Connie Manley

We support “Map C”, which preserves the University as a community of interest and ensures its effective representation.

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation.

The proposed “Map A” divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent.

Sincerely,

Carolyn Ann and Peter Michael Manley
