

My name is Richard Forrest and I want to submit testimony about the redistricting that's currently happening in Oregon. I am a 5th generation Oregonian. I've been a resident here my whole life and have a vested interest in the future of the state.

This redistricting will affect our state for a very long time. It is not the place for partisan politics where one side sees the opportunity to crush the other. I've reviewed the plans that were presented and Plan B best reflects what I think should happen for the Congressional districts in Oregon.

Plan B also best reflects what should happen to the Senate districts in our state. Plan B also is the best for the house districts. Plan B is just the best all around.

Here are my choices for redistricting.

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B
