

Hello.

My name is Robert Zedwick and I live in Corvallis. I've lived in Oregon for over 30 years and I want to submit my testimony concerning the redistricting that is now on the docket in Oregon. Since this redistricting affects our State for the next 10 years, we need to get it absolutely right according to the Redistricting Rules set forth in our state's Laws. I feel that the City of Portland should not influence the social/political climate of the entire State of Oregon. After reviewing the plans I feel that Plan B is the best option for Congressional, Senate, and House districts in our State, so as to avoid gerrymandering for either party.

My picks:

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B

Thank you for documenting my testimony.
