

Dear Members of the Redistricting Committee:

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation.

I do NOT support the proposed "Map A", which divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent.

I DO support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Sincerely,

Rebecca Kent
