

Dear Members of the Redistricting Committee:

I'm a third-generation native Oregonian and proud graduate of the University of Oregon, class of 1972.

As an important community of interest, the UO should be preserved in redistricting to ensure effective representation.

The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent.

I support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Sincerely,
