

Dear Members of the Redistricting Committee:

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation. The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent. **I support "Map C"**, which preserves the University as a community of interest and ensures its effective representation. I live in this area and know how important it is to preserve the integrity of the area.

Sincerely,
Gyl Elliott
