

Good AM~

In light of our fair state being given another Congressional District and the adjustments that will bring, Please bear in mind these following :

- Make sure that no district is drawn for the purposes of favoring any political party or Incumbent or diluting the voting strength of any language or ethnic minority group.
- Keep counties and cities whole.
- Preserve communities of common interests.
- Ensure that populations for each district be closely matched.
- Avoid crossing geographic or political boundaries and maintain transportation links.

Thank you so,

Reese and Judy Mayo
