

Dear Members of the Redistricting Committee:

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation. The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent. This map is an outrageous power grab for Republican politicians to dilute the effect of the larger Oregon cities and communities.

I support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Sincerely,

Jacob Tom, MD.
