

I have lived in CD2, the Klamath County since 1971. I have noted division of east and west and north and south over the years and want this stopped today. I am promoting unification Now and am in favor of Plan B Nothing less will do. If you choose those other plans, I will have not other recourse but to petition for your resignation.

Requiring your intelligence in this matter

Reta Vining, Klamath County citizen, demanding unity now.
