

Dear Leaders:

Ten years ago, when redistricting was taking place, several of us from the Yamhill County Democrats came to Salem to testify and request that Willamina, Sheridan, and Grand Ronde be included with McMinnville in order to help unify our county. Sadly, this did not happen and we continued to be split into four legislative districts. This makes it very difficult for us to find cohesiveness.

I implore you to do whatever you can to unify our small county.

Thank you!
