

My name is Deborah Swenson I have lived in Oregon since I was 4 yrs. old. I want to submit my testimony concerning the Redistricting happening in Oregon. This will effect our State for a decade so we need to get it right. After reviewing the plans I feel that Plan B is the best option for Congressional districts in our State. I also feel that the Senate districts that are presented in Plan B are best suited for our State. The house districts presented in Plan B also demonstrate the best options for our State I don't like that the other plans are dividing up our shared communities of Albany, Tangent, North Albany, and Millersburg.

My picks:

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B

Thank you for documenting my testimony.
