

We are Frank and Amy Rohrer and are 4th generation Oregonians. We would like to submit our testimony concerning the Redistricting happening in Oregon. This will affect our State for a decade so we need to get it right. After reviewing the plans we believe that the B plans proposed for Congressional, Senate and House Districts are the best options. Speaking directly to the Congressional map, plan B is the option that supports both parties as equally as possible and does not favor Portland and its surrounding areas with multiple districts of influence.

My picks:

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B

Thank you for documenting my testimony.
