

Dear Members of the Redistricting Committee:

I have lived in Eugene since 1978 and graduated with Honors in 1981 from the University of Oregon Geography Department.

The University of Oregon is an important community of interest that should be preserved in redistricting to ensure effective representation. The proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent.

I support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Thank you for considering Map C as my preferred option,
