

My name is Stella Oja
2761-NE Yellowpine Rd
Prineville, Oregon
97754 district 28

It is my believe that all elected officials, should discard their loyalty to their particular parties and do what is ethical, transparent and truly-what will ultimately be what we the people want.

The rural areas of Oregon should not be ignored. So please, recognize us in central and eastern Oregon.

We want our voices and our votes to count.

Ladies and Gentlemen I am imploring upon each of you, to do the right thing for Oregon and it's citizens.

Sincerely,

Stella Oja
