Hello Co-Chairs Taylor and Salinas, Vice-Chairs Knopp and Boshart-Davis; and members of the redistricting committees. My name is Rosalie Pedroza and I live in Marion County, Senate District 12 and House District 23. I'm speaking in support of legislative districts Plan Cs.

In 1985, I moved to the unincorporated part of Turner ½ mile from the back side of Willamette Vineyards. Between that time and the redistricting in 2012, I was part of House District 19 and Senate District 10. Part of my road continues to be part of those districts. I have no idea where the dividing line is but I do know that my new Districts have almost no connection to my day-to-day life.

I worked in Salem for 26 years for Salem Police Department, YWCA, and the State of Oregon and I volunteer in Salem for various groups. The rural counties included in my districts play no role in my life except to drive through going somewhere else. The only thing we have in common is I live in a rural area but so does the rest of my road which remains in HD19/SD10.

I spend approximately 98% of my income in Salem. Between Sep 2020 and Aug 2021 (during the pandemic) I spent approximately \$40,000 on food; home repairs; car service; entertainment, and medical treatment for myself and my animals – all at businesses in Salem. Whenever possible, I make all my donations to non-profits that service the Salem area such as Marion Polk Food Share and Salvation Army.

Salem has been my community of interest for 36 years for friends, work, and expenditures. Please make us part of the community with which we are inextricably connected again.

Thank you for your consideration,

Rosalie Pedroza
