

My name is Julee Scruggs I lived in District 2 Jackson County area.

I am asking to vote no on changing the redistricting of Oregon. I am unable to testify in person due to my working schedule.

I believe this is an an attempt to manipulate the electoral Districts here in Southern Oregon! It is creating an unfair advantage in an attempt to weaken the Republican voters. The rural counties live different lives than those in the bigger metropolitan cities. We have different needs and wants for our area of the state. We vote for who represents our best needs. We don't want to lose our voice!!!

Respectfully Submitted.
