

STOP Gerrymandering!

I am against gerrymandering. It is an unfair way to determine districts. We need fair maps. In Oregon, we need to restore balance all over the state. Fairly drawn districts. Districts that allow Oregonians to have a fair shot by someone who represents their values. As I see it, Oregon cannot afford ten more years of unfair partisan gerrymandering that denies people the chance for fair representation!

I hope the new political boundaries will be drawn fair and not determined by political party.

Lets do the right thing!

Sincerely,
