

Dear Members of the Redistricting Committee:

We have lived in the University area of Eugene for 45 years. It is a unique area of shared interests: students, professionals, retired individuals, united by a shared community.

We are concerned that the proposed "Map A" divides the University into three different House Districts and three different Senate Districts – exactly what the redistricting law seeks to prevent.

We urge you to support "Map C", which preserves the University as a community of interest and ensures its effective representation.

Thank you!

Sincerely,
Valerie and Dan Close
