

**Attention Kate Brown:**

**\*STOP GERRYMANDERING\***

**We don't want a NWO Communist Marxist  
Government in Oregon nor in our entire USA!!**

**We are sick and fed up with your sick Liberal ideology!  
We want God of the Bible/Prayer back in our  
classrooms and the Ten Commandment reinstated and  
Freedom of Religion restored. If you insist and  
continue on with your NWO agenda, you will be voted  
out by the people...**
