

I live in district 3.

I am fully in favor of the republican backed plans.

Republicans are the majority in rural, central and Eastern Oregon.

Republicans are already under represented in the US House.

This new plan should also not infringe on Distric 2 that represents Eastern and Central Oregon

Where the voters are historically conservative VALUES. There should be no MANIPULATION.

IN 2020 42% of voters were Republicans and conservative With only one

Republicans representing.

OREGON HAS A SIGNIFICANT PRESENCE IN OREGON.

CHOOSE REPUBLICAN PLAN

STOP MANIPULATING OREGON VOTES.

LOOK AT THE CURRENT DEATH AND DESTROYING CAUSED BY SO CALLED DEMOCRATIC
