

Please stop the redistricting push by the Demacrats to Destroy Oregon even more.

This will be another down fall for the conservative party just like mail in voting.

Do you research and see the the last conservative governor was in 1987 and mail in voting started in 1987.

For the last 34 years Demacrats have controlled and are working very hard at Destroy the Oregon I grew up in.

Vote no on redistricting and stop the corruption and control of one sided party.

Thank you

USAF Ret. Msgt Will Fanger
