

We do not agree with this intire distric being Democrate we feel it is unfar in makeing decisions when a distric is all one side non of are representative share are veiws or values for daliy life i would love to see change in are district to at least understand that we dont agree with what u are pushing and u definitely do not have are need in mind as a country family we are an isolated community and should not be lumped into city laws cause are representative doesnt want to listen to are side thank you for your time.
