

My name is Steven Winkler and I live in Sandy, Oregon. Recently I submitted a comment on my thoughts on redistricting. I most definitely want to amend it to the following:

House District map C, as presently constituted, splits the city of Sandy into two districts. Such a split has the unfortunate effect of curtailing valuable services from both Sandy along with the mountain communities extending from Brightwood to Govt.. Camp. The ideal solution to this map would be to remove Mosier and the Dales in Wasco County, and thereby restoring Sandy entirely back into a new HD 52.

Thanks for your attention.
