

Good evening Co Chair Boshart Davis, Co Chair Salinas and Chair Taylor,

My name is Rachel Lytle and I'm a third generation Oregonian, with children and grandchildren who live here as well. I'm here today to submit testimony for the once in a decade process of redistricting. I live in Albany HD15, CD4 and have reviewed the proposed plans. I feel that Congressional map B, Senate map B and House map B are the best plans for our state and would do a fair job of keeping other political boundaries and communities of interest intact. Choosing Map B would also ensure all voices are heard, not just those in the area where OSU is located, with a large population of Benton County residents who I believe do not share the same views as we do in the greater Linn County areas. I also feel Map B is more representative of the areas each district in our state encompasses.

Thank you to everyone who has worked tirelessly to make sure Oregon's congressional lines are drawn fairly so that all Oregonians' votes and voices matter. I appreciate being able to testify today. Thank you for your time.
