

I encourage you to adopt CD5B as the new plan for CD5. This plan keeps rural natural resource based communities together in the same congressional district . It has common sense boundaries that split Salem along the Marion/Polk county line.

I DO NOT support Plan CD5A. Plan CD5A is a gerrymandering scheme that puts South Portland and the suburbs of Lake Oswego, West Linn, and Oregon City in the same district as rural Willamette Valley agricultural communities.
