

We live about 7 miles east of Sandy, off of Highway 26, near Alder Creek. Our mailing address is Sandy, with the Sandy zip code; however, we are also in the Hoodland Fire District, so we are also part of the Mountain community (lower Cherryville/Alder Creek to Govt. Camp) We and most other residents that live between Sandy and Welches use Sandy medical services, grocery stores, and most of our errands take us to Sandy.

House District map C doesn't follow Oregon law as it splits the Oregon Trail School District into 2 districts (new 52 and 18) and splits the city of Sandy into two districts. The law requires communities of interest and political subdivisions to be in the same district.

There is the overwhelming consensus of residents here to amend Map C: remove Mosier and The Dalles in Wasco County which have no connection with us and put Sandy entirely back into new HD 52.

Thank you for taking our comments.
