

Hello,

I really hope the Congress Plan A map is not serious as it violates the Oregon Constitution as well as ORS 188.010 which is specifically meant to protect Oregon's rural vote from being diluted. Rural Oregon has NOTHING in common with the Portland Metro area and by that fact has no business being lumped into a single district with them. By even proposing this map, you are blatantly showing that you intend to negate the vote of rural Oregonians which is unacceptable.

Please strike "Congress Plan A" from consideration and ONLY discuss "Congress Plan B" going forward which is a far more fair and more importantly legal boundary map.
