

Hello,

My name is Sean Taylor, I'm a first generation Oregonian and I want to submit my testimony concerning the Redistricting happening in Oregon. This will effect our State for a decade and as I build a life with my family here I want to make sure this is done with their best interest in mind. After reviewing the plans my wife and I have decided that Plan B is the best option for Congressional districts in our State. I also feel that the Senate districts that are presented in Plan B are best suited for our State. The house districts presented in Plan B also demonstrate the best options for our State.

My picks:

Congressional district – Plan B

Senate Districts – Plan B

House Districts – Plan B

Thank you for documenting my testimony. I hope you listen to your constituents instead of deciding solely along lines of whatever political party or special interest group(s) donate the most to your campaign.

Sincerely a fed up Oregonian,

Sean Taylor
