

To Whom It May Concern:

I, Darcy Phelps-Samples, am submitting this testimony as an Oregonian who believes in fair representation. I believe that if the law is followed, we can achieve a balance that allows all Oregonians to live happily in each unique community.

Please adhere to the United States Constitution, the Oregon Constitution, and Oregon Law when redefining our Oregon districts:

ensure that no district is drawn for the purposes of favoring any political party or incumbent or diluting the voting strength; keep counties, cities and school districts whole; preserve communities of common interests; make sure that each district represents a similar number of Oregon citizens.

In consideration of the above mentioned criteria, I strongly advocate for House Plan B for redistricting.

I appreciate the opportunity to testify.

Sincerely,

Darcy Phelps-Samples
